By signature below, applicant hereby acknowledges and agrees to the following conditions and terms of this **non-use** sewer tap permit:

1. Approval is granted by the Grant Water and Sanitation District for **ONLY** the physical connection of the building service line to the service line stub-in or main line sewer. **USE OF THE TAP FOR ACTUAL SERVICE IS NOT ALLOWED.**
2. The applicant will not discharge or cause to be discharged wastes of any kind from the structure at the address listed above into the sanitary sewer system.
3. The applicant shall not request the water meter to be set by the Denver Water Board until the following conditions have been met:
  - A. The main lines which service the tap have been approved by the District for **CONDITIONAL ACCEPTANCE**.
  - B. The applicant has submitted a complete **APPLICATION FOR SEWER TAP PERMIT** to the District with all fees paid to all agencies requiring a fee and approval of the application has been granted by the District.
4. Water meters that are set prior to the approval of the **APPLICATION FOR SEWER TAP PERMIT** or use of the sewer tap shall be considered an **ILLEGAL** connection to the District's system. The applicant may be subject to fines up to \$500.00 per day as described in the District's rules and regulations.
5. All sewer taps must be inspected and approved by the **DISTRICT ENGINEER** prior to being backfilled.
6. Payment of an **INSPECTION FEE** of \$150.00 is required with this application. The inspection fee required for the **APPLICATION FOR SEWER TAP PERMIT** will then be waived.
